HOLIDAY COTTAGES

Old Park Farm has two lovely modern one-bedroom holiday cottages. The cottages are finished to a high standard and provide all essential furnishings and equipment.

Each has an open-plan kitchen, dining and lounge area leading through to a double-room with en-suite shower. The bedroom can either be used as a double or twin-room, depending upon your requirements. There is access to a patio area furnished with garden table and chairs. Views of the Wiltshire countryside can be taken in at leisure.

The cottages can accommodate up to three people. Children are welcome and, by prior arrangement, a cot and high-chair can be made available. Bed linen and towels are included. We regret there is no smoking inside the cottages. There is ample parking.

Situated on a working dairy farm, guests can view a traditional Wiltshire farm. Farm visits are welcome, by prior arrangement.

TOURIST ATTRACTIONS

Tourist attractions are numerous in this area and include historic Stonehenge and Avebury, Westonbirt Arboretum, Longleat, the Kennet and Avon canal, and numerous National Trust properties. Bath, Cirencester, Cheltenham, Oxford and the Cotswolds are all within easy reach. Activities range from adventurous water sports at the nearby Cotswold Water Park to cycling, fishing, walking and golf.

The historic town of Malmesbury (5 miles) provides all essential amenities and boasts a famous Abbey and gardens. Several local villages offer good pub menus.

LONG-TERM BOOKINGS / BUSINESS ACCOMMODATION

These cottages are also available for longer term bookings should a business professional or persons awaiting a house move, for example, require it.

A relaxing, clean and natural environment for a working person.
